

Youth Session Safety Protocols

- 1. Before session begins, a brief introduction of COVID-19 and safety protocols will be held with the participants**
- 2. Before the beginning of the session, the meeting room/space will be sanitized by Metro Health facilitators.**
- 3. All Metro Health facilitators will wear a mask during the session**
- 4. Before entering the meeting room/space, students will be given a mask and must wear mask for the duration of the session.**
- 5. Students will sanitize their hands before entering the meeting room/space using sanitizer provided by the facilitator.**
- 6. Students will be asked if they are experiencing a fever, coughing spells, shortness of breath and/or flu like symptoms. Metro Health will contact the parent/guardian of any student who exhibits any symptoms or discloses that he or she is experiencing symptoms. Facilitators will educate the parent/guardian concerning COVID-19 and will suggest that the student get tested as soon as possible. Students who show symptoms will be asked to return another day.**
- 7. Students will adhere to CDC and State social distancing guidelines by maintaining 6 feet of separation**
- 8. For Phase 1, a maximum of eight (8) participants with two (2) adults will be allowed to participate in each session**
- 9. Once the State moves to Phase 2, there will be a maximum of twelve (12) students and two (2) adults allowed to participate in each session.**
- 10. The meeting room/space will be sanitized at the end of each session by Metro Health Facilitators**
- 11. Protocols and updated safety measures will be displayed using flyers and agency's website.**
- 12. The above procedures will also be followed for outside sessions**
